

December 1, 2018

CDAА Members,

It's that time of the year again. Snow is falling, temperature has turned cold, making holiday plans has taken its turn front and center. And it's time to turn in your proof of payment for health insurance reimbursement to the College of DuPage Human Resources Department!

*Depending on what contract or "deal" was in place at the time that you retired, you **may** be eligible to receive **some** amount of reimbursement for your out-of-pocket health care insurance costs. If you are unclear whether you are eligible to receive reimbursement for health insurance, please contact the HR Department at the College of DuPage (630) 972-3030. CDAА has no legal authority to obtain such information.*

Approximately 600 College of DuPage retirees are eligible for this reimbursement. The College of DuPage does not intend to notify any of the 600 retirees! Luckily, you are a member of CDAА and decided to provide us with your email address.

To help guide you through this process. I contacted the College's HR Department and asked for information on documentation and procedures. I learned that there have been changes again this year.

I would like to thank Beryl Mosley & Lisa O'Reilly at the College of DuPage Human Resources Department for providing the following to me so I can send it to you.

Bob Sobie
President, CDAА
